

TOP-NEST ANNUAL MEETING, ROSKILDE 30-31 OCTOBER 2014

SCHEDULE

Thursday 30th: 11.00 – 17.30 (so you can leave home Thursday morning)
Thursday 30th: 19.00 – 22.00 Workshop dinner in Roskilde
Friday 31st: 09.00 – 16.00

See detailed agenda further down

VENUE

Technical University of Denmark – DTU
Risø Campus, Frederiksborgvej 399
Building 112, HH Koch Auditorium
4000 Roskilde
Tel: (+45) 2132 7925

Map:

<https://maps.google.dk/maps?q=frederiksborgvej+399+roskilde&ll=55.688811,12.142296&spn=0.067057,0.181789&hnear=Frederiksborgvej+399,+4000+Roskilde&t=m&z=13>

ACCOMODATION

Hotel Prindsen is recommended due to its central location, see www.prindsen.dk. When you book, refer to their *special agreement with DTU Risø* and then **the rate is 835 DKK per night, including breakfast and dinner**. Booking by email: info@prindsen.dk. It is not a large hotel so book early. An alternative is Comwell Roskilde, www.comwellroskilde.dk, which also offers special rates for Risø guests. There are also B&Bs and a youth hostel in Roskilde. **See Annex 1 for more information.**

TRAVEL DIRECTIONS

In the airport, buy a ticket all the way to Risø. Price for one-way: 108 DKK. The ticket is also valid on the bus. You may want to buy a return ticket, as it may be cheaper and you cannot use credit card to buy tickets on the bus leaving from Risø (only at Roskilde train station).

Train transport from Copenhagen Airport to Roskilde Station:

Direct train from Airport to Roskilde station leaves the airport every hour at 08.39, and again 09.39, and so on. The trip takes 40 minutes to Roskilde, and 1.23 minutes to Risø. There are more frequent connections where you change train at Copenhagen Central Station, leaving the Airport at 08.42, 08.54, 09.02 and 09.14. These connections take 50 minutes to reach Roskilde Station.

Bus transport from Roskilde Station to Risø (meeting venue)

Bus number 600 S (Direction Hillerød) leaves from just outside Roskilde Station and goes directly to Risø every 15 minutes. It takes 14 minutes. When you get off the bus at Risø, go under the bridge to the reception gate and get your badge. Building 112 is a 5 minute walk from the gate.

For other public transport connections, see www.rejseplanen.dk (choose English). Note that *there are no buses from Airport to Roskilde*, only trains.

Taxi

A taxi from the airport to Risø costs around DKK 800. We can arrange a joint taxi transfer to the airport Friday afternoon, if there is demand. The more who join, the cheaper it is.

WORKSHOP DINNER (OCTOBER 30TH)

This will take place in Raadhuskælderen <http://raadhuskaelderen.dk>, Fondens bro 3 (near Stændertorvet), 4000 Roskilde.

LIST OF PARTICIPANTS (AS OF 21-10)

	Dinner	Fish	Veg
Advisory Board			
Loren Cox, MIT	YES		
Nordic Energy Research (NEF)			
Ben Smith (Thursday only)	NO		
Riga Technical University			
Marika Rosa	YES		
Aiga Barisa aiga.barisa@rtu.lv	YES		
NIFU			
Antje Klitkou	YES		
Eric Iversen	YES		
Lisa Scordato	YES		
Dorothy Sutherland Olsen	YES		
CIRCLE			
Lars Coenen	NO		
Alexandra Nicolieris	NO		
Teis Hansen	YES	X	
VTT			
Nina Wessberg	YES		
Anna Leinonen	YES	X	
Esa Pursiheimo	YES		
DTU			
Mads Borup (arrives a little late Thursday)	NO		
Simon Bolwig	YES		
Jay Gregg	YES		X
Ola Soler (part time)	YES		
Kenneth Karlsson	YES		
Klaus Skytte	YES		
Sara Ben Amer (part time)	YES	X	
Amalia Alonso (Thursday only)	NO		
Tobias Ruby Møller (Thursday from noon)	YES		

WORKSHOP AGENDA

Thursday 30 October

Time	Item	Explanation
10.30 – 11.00	Registration Coffee/tea and light breakfast	Find your seat at the group tables
11.00 – 11.15	Welcome and practicalities Antje Klitkou and Simon Bolwig	
11.00 – 11.15	Round of introduction	We briefly introduce ourselves
11.15 – 12.00	Results dissemination Antje Klitkou Ben Smith (NEF)	Antje sums up our experiences so far and future plans. Ben tells us what is important for NEF regarding results dissemination. Discussion in groups and then in plenum on what to prioritise and how to proceed.
12.15 – 13.00	Results and plans for WP2 Klaus Skytte Esa Pursiheimo	Presentation of preliminary model results and draft paper reporting on the use of the STREAM model to show the effects of development in hydrogen and e-mobility on energy markets and costs, connecting with the WP3 case studies. Feedback in plenum on this results and ideas and on whether a similar analysis can be done on biofuels. Discussion of overall integration of WP2 in the project. Paper: Electric vehicles or use of hydrogen in the Danish transport sector in order to become fossil free in 2050? Authors: Klaus Skytte , Amalia Alonso, Kenneth Karlsson Discussants: Esa Pursiheimo and Aiga Barisa
13.00 – 13.45	Lunch and fresh air	
13.45 – 17.00	Paper session 1: Empirical and Theoretical studies	30 minutes for each paper Presentation of paper in plenum: 10 minutes Feedback from discussants: 10 minutes (5 minutes each) Plenum discussion: 10 minutes
	Paper 10: Prospective value chains Authors: Nina Wessberg , Anna Leinonen, and Anu Tuominen (plus potentially others) Discussants: Jay Gregg and Loren Cox	
	Paper 1: Unpacking investor decisions in up-scaling of biorefining technologies Authors: Teis Hansen and Lars Coenen Discussants: Antje Klitkou and Simon Bolwig	
	Paper 2: Value chain structures that constrain European cellulosic ethanol production Authors: Jay Gregg , Simon Bolwig, Ola Soler, and several others Discussants: Dorothy Olsen and Marika Rosa	
15.15 – 15.30	Coffee and tea	
	Paper 7: Path creation in Nordic energy and road transport systems Authors: Antje Klitkou , Mads Borup, Teis Hansen, Lisa Scordato and Nina Wessberg Discussants: Lars Coenen and Kenneth Karlsson	
	Paper 8: Visions of what? Towards better understanding of how expectations can coordinate action in socio-technical change Author: Alexandra Nicolieris Discussants: Mads Borup and Nina Wessberg	
	Integration of transport and waste management aspects in an urban system: a case study of Valmiera city Authors: Aiga Barisa , Marika Rosa, Ilze Dzene, and Kristine Dobraja Discussants: Ola Solér and Anna Leinonen	
17.00	End of day 1	
19.00	Workshop dinner sponsored by Top-Nest Venue: Raadhuskælderen, Fondens bro 3 (on Stændertorvet), 4000 Roskilde	

Friday 31 October

Time	Item	Explanation
08.30 – 09.00	Coffee/tea and light breakfast	Find your seat at the group tables
09.00 – 09.45	General discussion based on yesterday's presentations of empirical and theoretical contributions	
09.45 – 12.30	Paper session 2: Strategy, policy and governance	30 minutes for each paper Presentation of paper in plenum: 10 minutes Feedback from discussants: 10 minutes (5 minutes each) Plenum discussion: 10 minutes
	Implementing renewable energy in European transport: barriers and opportunities Authors: Marika Rosa , Aiga Barisa and Dorothy S. Olsen Discussants: Teis Hansen and Juhani Laurikko (in writing)	
	Paper 4: Radical innovation and change - the conceptualisation of radicality in transition theory (upcoming paper) Presenter: Alexandra Nicolieris Discussant: Lars Coenen and Eric Iversen	
10.45 – 11.00	Coffee and tea	
	Paper 5: Standardization and emerging strategies to 'escape technological lock-in': lessons from Scandinavian attempts to promote electrical mobility Authors: Eric Iversen , Antje Klitkou, and Mads Borup Discussants: Lars Nilsson (in writing) and Klaus Skytte	
	Dissemination of results: involvement of industry stakeholders and policy briefs The discussion is introduced by Antje Klitkou	
12.00 – 12.30	General discussion based on strategy, policy and governance contributions	
12.30 – 13.30	Lunch and walk to Roskilde Fjord	
13.30 – 16.00	The Way Forward for Top-Nest Follow-up projects	xxxx
16.00	End of workshop.	Joint transport to Copenhagen Airport for those who need it. Or to Roskilde Station.
